AE-G12N/ AE-G22N Meat Grinders

American Eagle® AE-G12N and AE-G22N meat grinders are part of our comprehensive line of heavy-duty, high-quality machines. Their exceptional reliability and attractive, compact designs make them ideal for open kitchens and front-end meat operations. These machines make grinding even the toughest meat easy. They're perfect for hunters, butchers, and other foodservice professionals.

Standard Features

- 100% gear-driven transmission
- Precision-milled, heat-treated steel alloy gears
- Powerful 1 H.P. (G12) or 1.5 H.P. (G22) motor
- Forward/reverse direction switch and overload reset
- Compact size and long 7 ft cord ideal for countertop
- 100% Stainless steel food surfaces: casing, cylinder, worm, adjusting ring, and feeder pan
- 250 lb/hr (AE-G12) and 450 lb/hr (AE-G22) capacity
- Easy maintenance and time-saving versatility
- Approvals: NSF No. 8, ETL, CE
- Permanently lubricated gear box

Standard Accessories

- Stainless steel knife
- Stainless steel feeder pan
- Stainless steel 1/4" (6mm) plate
- Stainless steel 5/16" (8mm) plate
- Plastic food pusher
- Plastic stuffing funnel

Standard Warranty

- 1 year parts and ninety days labor
- Must register with American Eagle

Deluxe Options

- AE-T12H Meat Tenderizer Head
- AE-VS12 Vegetable Shredder Attachment
- Sausage maker plate
- Additional plate sizes on reverse

American Eagle: Value, Quality, and Reliability
